Jason C Area 42 delegate Panel 59

Alcoholic Anonymous and Service

Good afternoon everyone. My name is Jason and I am an alcoholic. Thank you Danielle and the Committee for asking me to share on the topic of service.

As I reflected on this topic, my mind raced all over, so many service opportunities and experiences, so many benefits from service and, so many liabilities without service.

Due to the glaring fact that I am an alcoholic, I must do and act in many ways. I have noticed with my normie friends that resting on their laurels could have painful results. The alcoholic, however, who suffers from a disease that infiltrates body mind and spirit, has something else to lose. Sobriety.

We of Alcoholics Anonymous are so very fortunate. Many organizations, including the Washingtonians, the Emmanuel Movement and the Oxford Group, came before us in pursuit of abstinence and some level of spiritual conditioning. The Washingtonians even reached 500,000 members. In the end, each organization failed to grasp singleness of purpose.

AA’s primary purpose is to stay sober and help the newcomer to achieve sobriety. Service is one of the pillars in AA that allows this to happen. Unity, Recovery and Service, the topic of this panel, all have great importance in this alcoholic’s life. Experience has shown that all are required to stay sober, to fulfill AAs primary purpose and to ensure I am doing my part to keep AA alive and well for years to come.

Sobriety found me one winter afternoon in March of 1993 on a pig farm in upstate NY. I can assure you, I was not looking for it, but it did indeed find me. For those of you in the audience that are new to AA, welcome. I realized that fine day in March what a battle it would be to live without alcohol and face my fears. There is hope.

Against my best thinking, I was asked to stay at this pig farm/rehab for 1 year. So I did to avoid spending 2 years in jail. I first learned of service in this rehab. Once upon a time and sometimes present day, when I am asked to do something, I consider what I will get out of it. When I arrived in sobriety, I was selfish and self-centered to the extreme. The idea of giving without any expectation of something, anything, in return

Can You Help?
There are cases where sober AAs are unable to make it to meetings. They are in the hospital or physical rehabilitation hospitals or are home-bound while they recuperate.

When you cannot attend meetings do you get ‘squirrely’ or on edge? Be a part of carrying the message to those shut-ins by joining us as we trudge the road of happy destiny on the

was stupid. It was horrible, it did not make sense and quite frankly I chose to ignore anyone with this mentality. After all, who gives without want?

It was easy for me to leave that pig farm and dive into AA service. If I chose not to, I went to jail.

I followed the typical AA protocol and got a home group, the hope academy group, a sponsor named Marty and a service position in my home group, coffee maker. I so needed this AA job. Not sure how you guys are when you first get sober, but I was nuts. A lot of energy, a lot of fear and very few entries in my schedule of importance. I showed up early for my coffee commitment, made the coffee, arranged the literature perfectly, twice…ok three times. And when all was set up, I scrubbed cabinets and brought coffee to the custodian of the building. If I was lucky, Terry would show up early too. Terry looked and smelled like someone who lived on streets. He carried newspapers that were days and weeks old. But, Terry knew something about AA service. One evening, at the first opportunity possible, I commenced talking feverishly to Terry about the hundreds of issues I had. Homeless guy or not, he was about to get a head full. After 20 minutes of talking without interruption, I stopped, took a breath and with all earnest said to Terry, “do you know what I mean.” Terry, very calmly and politely, stated, “No I do not….but keep talking, this may go somewhere.” I showed up to make coffee. I did not know, as highly intelligence as I thought I looked, that Terry and I were two guys in service, buying time to stay sober and trying to achieve some as semblance of sanity.

After a year of AA, Nora approached me. Nora talked to me about prison work. Although fearful, I was also curious. She stated that she takes a meeting into the local prison. I started the journey with an orientation to

the facility and getting fingerprinted. The person taking the prints commented on how well I rolled my fingers and what great prints that produced. I did not share that I had some practice in a previous life.

So many lessons, I learned to share appropriately, share in a general way and not to share personal information. I learned how to be one among many without judgment in prison meetings. My very first sponsee was an inmate. We were given a room to work the steps in. It was a little eerie getting the door locked behind us and being alone, but I kept faith in a Higher Power. I shared with this gentleman just like my sponsor shared with me and we read the Big Book. After Antwon completed his fifth step, I asked if he was fearless and thorough. He said yes, I suspected no. A great joy of mine was to meet Antwon at the bus station and see him off when he was released. We remained in touch by writing. He finally in a letter shared the one thing he did not share the day he completed his fifth step. Although it was not a part of the fifth step, it made me swallow a few times. Apparently he was highly attracted to me. And so the story goes. I thanked him for his honesty and wished him well. When I leave judgment and fear to the side while being of service, relationship with another human being can and will occur.

One more thought. I heard over and over individuals sharing what a relief it was to hear the doors slam behind them as they left the prison meeting and went on with their life. I heard this many times and then something occurred to me. I do not have that experience. Maybe if I lived in fear I would. A sense of freedom came over me each and every time I entered the prison. When I give up my busy life to be of service, to attend a meeting I am committed to, I experience the promises of AA. I never once felt relieved to leave after the first time going. Relief and peace came to me from doing the work.

Let’s touch on the important service positions in AA. I think I should be clear about which ones they are. With a higher power by my side, I have served in many, many positions. I believe that the most important service position is the one we need. I spend a great deal of time asking for help from my wife Rachel, my sponsor Tim, many friends and my Higher Power. I can only hope to find where I should serve. That for me is based on working the steps. I may find that I am selfish with my time, so I then become the coffee maker and show up early. I may find great joy in helping others work the steps, so I raise my hand when asked if anyone is willing to be a sponsor. I may need to just get in the car and take a drunk and rowdy Biker to

detox, serve as the General Service Representative for my group, as DCM, as Public Information Chairperson for NAGSC or Intergroup or Intergroup Chairperson. There is no position like the one we need.

There is one other area of service I will share about. That is General Service. General Service encompasses GSRs, DCM, Area Officers, Area Standing Chairpersons, Delegates, Trustees and the General Service Conference. Some have no interest in General Service. I am not one of those people. My wife Rachel says it best; she wants nothing to do with General Service but is grateful for those who enjoy it. Although, she cannot see why anyone would enjoy it.

My current service position aside from being a sponsor is Area 42 Delegate. Essentially I serve NV and the Eastern Sierras of CA in AA service. I attend area meetings, visit districts and groups when asked and attend the GSC. I leave Tuesday for NY to visit family for 2 days and spend 9 days in Rye NY, just outside of NYC. The Delegates, trustees, GSO Staff, Grapevine Staff and AAWS directors, will discuss and vote on many topics in AA.

Present day, I am humbled by serving in this position. Like any other service position, I must work a program to be most effective. I must eat well, sleep as much as possible and practice these principles in service. As I sit at the conference, I pray that I am centered, that I am at peace, refraining from judgment, and that my character defects are left at the door, so that I may serve Alcoholics Anonymous and not serve a personality.

Now, I shall take our inventory. Who is interested? I believe each and every one of us, needs a service position. End of inventory. Miss-guided self will drives my alcoholism, whether drunk or sober, and so I must

PRUDENT RESERVE

The prudent reserve is to ensure that, after all obligations are paid, enough funds are held to conduct Area 42 business. Experience has shown that, for any given year, a reserve equal to 1/3 of the previous year’s expenses will ensure that the Assembly will be able to meet its financial obligations. A ¾ majority vote of the area officers is necessary to tap into our prudent reserve.
THE BUDGET PROCESS

Prior to July 1 of each year, each area officer, alternates, and those persons appointed to positions are responsible for preparing a budget for his/her position. The Area chairperson will prepare the budget(s) for any vacant position(s). Each budget is submitted to the Finance Committee chairperson.

A. The Finance Committee receives budget requests, compiles them into a single Assembly-wide budget, and presents it to the Area Committee.

B. The Area Committee reviews the budget, approves it as submitted, or recommends revisions.

C. The Assembly reviews the budget at the fall assembly and

   1. Adopts the budget by a 2/3 majority vote with or without amendments or
   2. Rejects the budget with specific instructions to the Finance Committee for modification, also approved by a 2/3 majority vote.

No officer / chairperson is to exceed their approved budget without prior approval. If additional funds are needed that exceed the budgeted amount, the officer/chairperson must submit a request to the Finance Committee. The Finance Committee may approve any such request that does not exceed 20% of the approved budget for that position. If such request is in excess of that, it will be submitted to the Area Committee for a decision.

REIMBURSEMENT OF EXPENSES

I. EXPENSE AUTHORIZATION AND SUBMISSION

   If available funds will be insufficient to cover the full costs of travel, the Finance Committee may recommend allotting a fixed sum for each funded individual, and/or provide per diem funding in accordance with the following hierarchy:

   Delegate
   Alternate delegate
   Area chair
   Other officers
   Appointed positions

The treasurer is responsible for the reimbursement of all expenses properly incurred on behalf of the Assembly submitted with receipts within 45 days of occurrence.
A. AREA COMMITTEE AND ASSEMBLY MEETINGS

The Area officers, alternates, and those persons appointed to Area positions by the delegate or Area chairperson are eligible for reimbursement for travel expenses to these meetings. The Finance Committee is responsible for establishing a maximum per diem rate for lodging, meals, and incidentals, to be reviewed annually.

B. PRAASA/FORUM

1. The Area officers or their alternates and those persons appointed to Area positions by the delegate or Area chair are eligible for reimbursement for travel expenses to PRAASA.

2. The delegate, alternate delegate and Area chair or alternate are funded to attend the biannual Pacific Regional Forum.

3. Per diem rates for hotels, meals & incidentals will be reviewed annually based on federal travel guidelines. All airfare will be reimbursed at coach rate. The delegate will receive full funding for the banquet and delegates’ luncheon.

II. REIMBURSEMENT FOR USE OF PERSONAL AUTO

Mileage reimbursements for eligible travel are based on receipts for gasoline.

III. ADVANCES / PREPAYMENTS

There may be an occasions when it will be necessary to issue payment in advance of receiving a bill/invoice/receipt. In those cases, the person requesting the payment will be responsible for submitting the bill/invoice/receipt, as stated above, with a request for payment of the balance due or a refund for the amount that the advance exceeded the actual expenses. Advances payable to individuals must be signed for and will be made only to the limit of that position’s approved budgeted expenses.
