- a) However, each group has a responsibility to support the service expenses of their elected GSR as much as possible in accordance with Tradition Seven and the principle of self-support.
 - b) This assistance is intended to supplement the difference between actual expenses and group support and is limited to a maximum of \$75.00 per GSR (*funds permitting*) for each full Area Assembly.
 - c) Because only GSRs of registered groups are voting members of the Area Assembly, a GSR must represent a registered group to qualify for funding assistance.
- E. The level of funding shall be set prior to the date of the service functions each year. Normally, this will be during the first meeting of the year.
- F. All SAGSC officers, and standing Committee Chairs shall submit an annual budget, or estimate of their Committee expenses,

 2. Budgets will be presented by the Finance Committee at the November meeting each year, and will be voted by SAGSC at the January meeting of the budget year.
- G. A Prudent Reserve is established to ensure that, after all obligations are paid, enough funds are held to conduct Southern Area business. We shall strive to maintain a savings account reserve equal to at least 1/3 of the previous year's expenses, to ensure that SAGSC will be able to meet its financial obligations. A 2/3 majority vote of SAGSC officers is necessary to draw upon our prudent reserve.
