OPEN WITH SERENITY PRAYER

SAGSC chair Jake opened the meeting at 1:15 pm with the serenity prayer and welcomed new GSR's and new DCM's as they introduced themselves.

Welcome to all!

My name is Jake I’m alcoholic. I’m super excited to be serving as your sags chair for panel 69 and I am very grateful to be serving in General service for Area 42 for 2 more years. If you have already been involved in general service I would like to welcome you back here to the world famous TIE club And if you are brand new to general service right now you are probably saying what the heck did he just say; what does any of that crap mean. Well the first thing is I am serving as your SAGs chair. You will hear SAGs or SAGSC and that is a acronym that stands for southern area general service committee the southern area general service committee or SAGs basically means all of us in this room as a committee. All of our area officers standing committee chairs DCMs or district committee members and what is widely known as the absolutely most important job in all of AA general service is all of our GSRs or our general service representatives. The reason it is called southern area 42 is in AA there are 93 delegate ares and our area, which happens to be numbered 42, is because we were the 42nd area formed. Our area broken up into 2 separate bodies. We in this committee are SAGs because we are in the southern part of the state of Nevada, we also have NAGs which is the northern area general service committee in the northern part of Nevada which basically does all the same work we do down hear up there. That’s because in Nevada there is a big population center in Henderson and Las Vegas in the south and Reno and Taho in the north and about 8 hours of nothing in between. Twice a year we get together at the half way point which happens to be the sprawling metropolis of downtown Tonopah NV. We get together and talk about our area as well as what’s going on with Alcoholics Anonymous as a whole. Now if I also try to explain what panel 69 and general service means we will be hear the next 5 hours. And I’m sure right now it’s still probably all clear as mud. My point of explaining all of this is that is OK. There is a lot to learn in general service and no one expects you to know all of this stuff by tomorrow. The other big thing is in AA, like in the Government, we tend to talk in acronyms. We have SAGSC and NAGSC and h&i pi CPC but we do not have pcp. If I am up hear addressing this committee and you do not understand what I am talking about that means that I am not doing my job. The main thing that I am trying to get across to you is that in general service there are no stupid questions. If there is something you don’t understand please ask and please do not get overwhelmed by all the information you will get here today. There is no test at the end of this meeting. The last thing I will say before I ask Lisa to come up here is the most important thing I have learned in general service at my second pacific region service assembly our pacific region trustee Madeline P said no work that we ever get done here will ever be as important as how we treat each other here. We may not always agree on everything but let’s remember kindness love and tolerance.

DCM COORDINATOR: JUSTIN

Justin alcoholic. Happy new rotation! I’m Very excited to be a part of panel 69 general service! I’m great full to jake for appointing this position to me.
Dcm coordinator Works with the DCMs to assist them with their duties. Also, Conducts a meeting of the DCMs prior to every SAGSC. And works with the Nagsc dcm coordinator at the area assembly to hold a meeting prior to the Sunday session. Today we had 3 DCMs and 2 alternate DCMs. There is a google group set up that will be emailed to the DCMs and anyone else who wants to be on it. We will have events listed in there as well as discussion for AA related issues. General service can be a rewarding and overwhelming
commitment. I don’t know where I’ve grown more in AA recovery meetings or in general service. Let’s work together to fulfill our primary purpose. Be sure to let me know of any upcoming events to put on the flyer

Hello Everyone,

My name is Rhonda And I am an alcoholic. We are deep in the Panel 69 conference rotation. I am so honored to serve as your Panel 69 Delegate. The past 13 days have been amazing and frustrating all rolled into one.

In December I received an email from Grapevine Inc. informing me that I will sit on the Grapevine Conference Committee. I don’t know why this overwhelmed me but it did. I am excited and honored to serve the Grapevine.

Then I received an email from AAWS asking me to log into the Dashboard with a one time passcode. I never received the one time pass code so after a dozen text and phone calls to our web master Mike, I realized I would have to wait till Monday to get anything done. This was on a Friday. Matt A.69 P.69 Delegate called me and we shared our one time pass code frustration. The entire weekend Matt and were pretty sure we were missing everything important. I was finally able to log in on Tuesday and to my relief we missed no deadlines. I was able to text Matt and calm his anxieties, he got in on Wed.

Then Friday night I had my first Grapevine Conference Call. This call was to discuss what happens at the conference and go over some of the agenda items that have been submitted and discuss if we want to discuss them. The call starts at 4:30 and I am meeting Chuck and Sean to set up the SAGSC banking at 4:00. Since banking NEVER goes as planned we end up at two different banks, me on a conference call and Chuck and Sean trying to calm me down. I’m in the “Lets close this account and open a whole new one” mode. I miss the first part of the call because I can’t listen to two conversations at once and we still don’t get the banking done.

Finally, I get in my truck and I am listening to the conference call through blue tooth and an ambulance screams by, I forget that I am not on mute so the whole crew on the call is like, “who’s getting pulled over”? One of the guys said, “I’m sitting on my couch and I looked around”. We all had a good laugh.

So, so far so good, right on track, smooth as silk.

Killin it week 1.

Thank You for the privilege to serve you,

Rhonda F.
A.42 P.69 Delegate

REGISTRAR: ANNE
Jan. 13, 2019
Area 42 Registrar Report: Anne K.

Hello and Happy 24 hours.

Welcome to the new general service types who are here today. I hope you find as much joy in this area of AA as I have.
For those of you who don’t know, I was chosen to be your Area 42 Registrar via ‘The Hat’ which is indicated by the Third Legacy Procedure when several rounds of voting has taken place and the assembly just wants it to be over. I think I’m still on the adrenaline rush from that whole thing.

I have the Area 42 Registrar computer in my possession. I have been in touch with Laura J. and Jake S. who served as the registrar team during the last panel. They have assured me they will be helpful. And I really appreciate that. I have been in touch with the folks from the General Service Office to get my credentials to sign on to the database so I can get you all signed up for your service positions. I have plenty of forms if you need them. Tony A. is the Alt. Registrar in the north and I am excited to work together with him to get everything done that we need to do.

Please reach out to me whenever you would like if you have any questions or concerns about registration. If I don’t have the answers to your questions, I will do everything I know how to do to get some answers for you. My email is registrar@nevadaarea42.org.

Thank you for entrusting me with this service position. I hope to serve you well.

Yours devotedly in love and service,

Anne K.
Area 42 Registrar

ALT-ARCHIVIST: GABRIEL

Still working on the Room with help from friend from District 5B. About 20 boxes left. Jake coming to help to get tapes onto digital format. Waitin for Lyle to come to get the funding to finish the room. From 2016, 17 18 need Grapevine for the binders to help fill these years out.

STANDING COMMITTEE CHAIRPERSON REPORTS:

H&I (HOSPITALS & INSTITUTIONS): ALAN
Currently volunteers are taking over 300 mtgs to facilities, detox, treatment and prisons. easiest and most efficient way to get this information is to come to the business meeting at Central office. If you attend not obligated to sign up for anything. Please do not show up to panels unannounced. take AA literature in for the people residing in these facilities. Funded through groups and pink can donations. Pink cans are for literature donations. H&I does not receive any funding from district, Area, SAGSC or anything else. Completely self supporting. Always room for anyone to be of service, we don’t turn anyone away.

BRIDGE THE GAP: Steven report given by Vito (Alternate)
New Alt chair for Bridging the Gap, Steven Moore chairman. had first meeting, all two of us. Goal os to revitalize and Put more oxygen and air into theNational program of Bridging the gap. in the north they have 190 volunteers in the North and in most every district. Goal for us to reach. Once a year workshop in September in Sacramento this year. Received the password for the Bridging the gap website which has all of the literature in English and Spanish. READ BRIDGING THE GAP STATEMENT OF PURPOSE. Goal is to make vital 12 step work possible. WE need presenter teams, phone coordinators, volunteers sobriety on year or more, follow up coordinators, and representation from each district. My background was i was the Men’s phone coordinator in Sonoma county, one of the most fulfilling obligations i ever had. Ultimate on 12 step. Nobody wants to walk into an aa meeting alone and Bridging the Gap makes sure that you don’t have to. Will be bridging gap funding on the budget, no funding as of now for Bridging the Gap.

GRAPEVINE: APRIL
Very excited to be the new SN Area GV person. GV is really important especially when we talk about remote communities, started as a grapevine rep when Jake was doing in, was any event the you have an you want me there with a table let me know, bring this back to your groups, bring this back to the district. we meet every last friday at 6pm at central office, and there may or may not be pizza.
CPC (COOPERATION WITH THE PROFESSIONAL COMMUNITY): STACIA
PIC (PUBLIC INFORMATION COMMITTEE): HOLLY Read by Stacia

Please make a note that when i was giving my email to Lisa for the rosters i gave my personal email but would prefer for you to richest to me through the email create for our committee so that if by chance i miss it then one of my other committee chairs will see it.

Hello, SAGSC!

Life is good at the Cooperation with the Professional Community and Public Information committees. We are working hard to provide literature and hope for a better life in Alcoholics Anonymous.

We are pleased to announce our new CPC Chair, Stacia Y. and our new CPC Co-Chair, Elizabeth O. We are very blessed to have them in service! The PI Committee Co-Chair position still remains open so if you are interested or know some that is in need of a service commitment, please let us know.

Since the last SAGSC, we participated in the monthly Pop Up Project Homeless Connects and Family Connects. We regularly attend monthly meetings of the PACT Coalition, the Mayor’s Faith Initiative, the Giving Project, and the Nevada Homeless Alliance. We give information about what AA is and what it isn’t. Many professionals have misconceptions about AA mandating religion, forbidding prescribed medications, being a cult, etc.

Some special events we attended included a Health and Wellness Fair at the 7th Day Adventist Church, a HUGE Project Homeless Connect at the Champion Center, the AA Roundup at the Westgate, the BBS (Behavioral Bilingual Services) Christmas Celebration and Health Fair, and the Everyday Living Winter Party and Open House. All were great opportunities to spread the message and to be of service.

We continue to concentrate our efforts on the homeless and veteran populations. We did this through attendance at special events and at monthly provider meetings for professionals working in these fields – that’s CPC, and through outreach in the general public and our fellowship – that’s PI, to educate the general AA public about what we do. We work closely with the Accessibilities Committee, District 21, and Al-Anon.

We love to party and are available for any AA event - District Workshops, picnics, etc. We contribute to the Area 42 Newsletter and our local Intergroup Silver Streak.

Our committee remains strong and dedicated. We are always looking for new members. DCM’s: please ask someone from your District to become the liaison with CPC and PI. We meet on the second Monday of the month at 4:30 at Central Office – just before Intergroup. We serve snacks – really good ones. Please come join us!
Cooperación con la Comunidad Profesional  
Comité de Información Pública  
Informe SAGSC  
13 de enero de 2019

¡Hola, SAGSC!

Todo va bien con los comités de La Cooperación de la Comunidad Profesional y de la Información Pública. Estamos haciendo todo lo posible en Alcohólicos Anónimos proporcionando literatura y esperanza para poder ofrecer una mejor manera de vivir.

Estamos encantados de anunciar la nueva Coordinadora de CCP, Stacia Y. y la nueva Co-Coordinadora de CCP, Elizabeth O. ¡Somos muy bendecidos de tenerlas en servicio! La posición de Co-Coordinador de IP sigue abierta así que si alguien está interesado o si conocéis alguna persona que necesita asumir un compromiso de servicio, por favor háganoslo saber.

Desde el SAGSC pasado, hemos tomado parte en el proyecto mensual “Pop Up Homeless Connects” para la gente sin hogar y “Family Connects” que conecta las familias con información y recursos comunitarios. Nosotros asistimos con regularidad a las reuniones mensuales del “PACT Coalition” que aborda el problema del abuso de las sustancias, el “Mayor’s Faith Initiative” que identifique problemas como la adicción, el “Giving Project” y el “Nevada Homeless Alliancece” que asiste a la gente sin hogar tener acceso a los recursos y servicios vitales. Nosotros presentamos información sobre lo que AA es y lo que no es. Muchos profesionales tienen conceptos erróneos acerca de AA. Unos ejemplos: no obligamos creencias religiosas, no hacemos la prohibición de medicamentos recetados, no somos un culto, etcétera.

Algunos eventos que hemos asistido incluyen una Feria de Salud y Bienestar en la Iglesia de 7ª Adventista, el Proyecto “HUGE Homeless Connect” en el Champion Center, el “Roundup de AA” en el Westgate, el BBS (Behavioral Bilingual Services) Celebracion Navidena y Feria de Salud, y Everyday Living/Viviendo Cada Dia, Winter Party & Open House/Fiesta Invernal y Jornada de Puertas Abiertas. Todos eran grandes oportunidades para difundir el mensaje y ser de servicio.

Continuamos nuestros esfuerzos y nuestra atención en las poblaciones sin hogar y a los veteranos. Lo hacemos asistiendo en los eventos especiales y las reuniones mensuales de los proveedores profesionales que trabajan en estos campos – que es CCCP y a través del alcance a la comunidad del público general – que es IP, para educar al público general sobre lo que hace AA. Trabajamos en estrecha colaboración con el Comité de Accesibilidades, Distrito 21 y Al-Anon.
Somos muy fiesteros y estamos disponibles para cualquier evento de AA como Talleres del Distrito, píc-nics, etcétera. Contribuimos con artículos e información al Boletín de la Zona 42 y a la circular informativo local el “Silver Streak” de nuestra Oficina Intergrupal.

Nuestro comité sigue siendo fuerte y dedicado. Siempre estamos buscando nuevos miembros. MCDs: por favor, pide a alguien de su distrito ser el enlace con CCP y IP. Reunimos el segundo lunes del mes a las 4:30 en la Oficina Central de los americanos – justo antes de la junta Intergrupal. Servimos aperitivos – y son realmente buenos. ¡Por favor, únase a nosotros!

And we would love to be of service to your areas, groups, and service committees as well. Please find one of our host members (ask us to raise our hands) and let us know how we may be of service.

SWACYPAA is also co-hosting the Tonopah area assembly with district 20 in April.

We’d like to thank you for all of your support in the creation process of Nevada Area Conference of Young People in Alcoholics Anonymous or NACYPAA in Tonopah in September last fall. At Tonopah in April we will voting in a NACYPAA temporary advisory Counsel, if you know anyone who has an interest in joining. This advisory council will create conference bylaws and organize bids for the first conference to be held in our fall assembly in Tonopah. We are hoping to hold our first NACYPAA conference in the summer/fall of 2020.

If there is anyone in here from outside the Las Vegas area (Pahrump, Mesquite, etc.) please get with us, we want to come outreach your areas.

ACCESSIBILITIES: MATTIE

I am grateful to continue to be able to be of service at the Accessibilities Chair for SAGS. The Accessibilities Committee has its monthly committee meeting with the PI/CPC committees on the second Monday of each month at 4:30 at Intergroup. We could use more committee members to help with carrying the message to those who are not always able to get to meetings as easily as some of us here can. If you are interested please stop by tomorrow afternoon and join us. The Accessibilities co-chair is Diana who is here today and we were able to attend the Giving Project commitment together yesterday.

Some plans for the year include repairing the wheelchairs and walkers that the committee has at Intergroup. We are also going to be purchasing literature to support remote communities and other potential alcoholics.

Grateful in service,

Mattie M

DCM REPORTS:

DISTRICT 1: LIBBY

Hi, my name is Libby and I’m the newly elected DCM for the fabulous District 1. I’m honored by the trust shown me by the members of District 1 and hope to live up to their expectations.

So, here’s my first DCM report. District 1 held our elections at our December district meeting in Boulder City. We filled all our service positions with the exception of one or two liaisons positions. Being an overachieving district, we had a regular district meeting, elections, brunch and threw in a 12th tradition workshop for good measure. The workshop was great and very informative.

District 1 will have its first meeting immediately after this meeting in the little side room. Our first activity will be to organize the Chili cookoff since we were the cookoff winner from last year – lucky us. Look for event information coming your way in the very near future.
I’d like to take this opportunity to thank Joan, the outgoing DCM, and the other District 1 officers for all their service over the past two years. Their service has kept District strong.

Thanks for the opportunity to be of service.

**DISTRICT 3: JASON**

As for a report we elected Kirk H as the treasurer and Elizabeth R. As our secretary. We were able to set up a new bank account and draft guidelines for the district. We will be co-hosting the Swacypaa newcomer workshop January 19 from 2-4 @ the new stairway. I will try to schedule a district meeting to make up for the canceled meeting the typically follows the sags meeting.

**DISTRICT 5B: RONNIE**

Hello Everyone My Name is Ronnie D. and I am an Alcoholic. My Sobriety Date is 12/10/1999. I am serving as the DCM for District 5B Area42, My two year term began January 1 2019.

District 5B had its first District Meeting yesterday at the Keystone Club. We had good attendance and our main focus was to welcome the new GSR’s and get accurate contact information into the hands of the district registrar and the district officers.

District 5B has a surplus of funds as of late and by group conscience it was decided to funds permitting sent the Alt DCM and partially fund a few GSR’s to PRAASA this March in Irvine California.

We also tried to fill the position of Alternate Secretary, and some members to participate with the picnic committee.

We began a discussion of a possible District 5B guidelines change to include a Communications Committee Chair to coordinate efforts to reach out to the remote communities within District 5B such as Indian Springs, Alamo, Creech Air Force Base and the Indian Springs Corrections facility. We voted Emmie in to be the Communications chair.

I am looking forward to serving as the DCM and I consider term before this as Alt DCM as a blessing.

District 5B is ready to be involved and actively participate in Area 42 general service and we consider this challenge as an opportunity to fulfill the Responsibility pledge.

Thank you, yours in service Ronnie D.

**DISTRICT 7: LISA**

Hi everyone, Lisa grateful alcoholic.

Happy New Year, I hope all had a wonderful holiday season.

We had our elections at the November meeting, as you can see no one stood for DCM, yet. The way I see it the person who is supposed to be in the position, when they are supposed to be there will happen. These things are not up to me.

We still have a few positions to fill, as we get more new GSR’s those openings will be filled.

Our next meeting is this coming Friday, 6:30 AT Serenity Club. there is much to do to get this new rotation rolling.

More will be revealed at the May SAGSC, see you then.

In Love & Service

Lisa T.

DCM District 7

**DISTRICT 9: PAM**

Hi, I’m Pam and I’m an alcoholic.

Our district is going strong and hoping to grow. To that end, we are actively talking to groups within the District about the importance of having a voice in decisions that are made with AA; include changing literature, pamphlets, the Big Book, etc.

We are super excited to be a co-host to SWACYPAA event on January 19th, at the new Stairway Club, located at 438 S. Decatur Blvd.

We are in discussions about the workshops we plan to host this year; and may also be working with a couple other districts on workshops. All of which, we are really looking forward to.
That’s all for now!
In love and service,
Pam

(January 2019 district 21 report)

We held our meetings every Thursday from 7pm to 9pm but now we will have those meetings the first and the third Thursday only at the Hispanic Central Office located at 3111 S. Valley Blvd Suite A-208. This is the new address. The first meeting is for GSRs and Committees report. The second one will be to discuss topics and review the 12 Concepts. The fifth Thursday will be to meet with the Hispanic Central Office officers to discuss about the expenses and matters related with the office. We used to visit the groups every Monday but now we are going to do it on Wednesdays, because some groups have their business meetings on Mondays and we can visit the groups on Wednesdays while IGRs have their meetings at the office the same day.

We have 18 groups counting Mesquite and Fuego de la Unidad women's group, PI, FORUM, H&I, ARCHIVES, and LA VIÑA committees.

We held our election meeting for these committees but sadly we don’t have volunteers for PI at the moment. Our Forum committee is working in the next event for this year but we don’t have a date of it yet. H&I is carrying the message to the jails in Henderson, Indian Springs, and the ABC facility. Archives Committee is still bringing their showing tables to the groups that are celebrating their anniversaries. La Viña keeps the groups informed about their events, registrations and what they do, as well as the support for the next 23rd anniversary event of La Viña in Fresno CA.

In our first meeting we suggested to pay a visit to the 24hrs groups to let them know about our traditions so they can continue their program in our traditional groups after their 3 months in those facilities with some knowledge, but we got to the conclusion that this could be a work for H&I or the 12 Step Committee, not District 21.

We suggested having an A.A. movie time (documentary about how Alcoholics Anonymous was formed) in the groups as a district but this could be a work for PI or Archives Committees to do.

We still have our Traditions work shop with the groups to discuss about the traditions after reading them on the book and answer the questions in the Traditions checklist pamphlet.

We wanted to discuss about the basket that we pass in our meetings as a 7th tradition for the committees: To discontinue doing this because during their visits to the groups as committees, they can let them know what they do and collect their contributions at the same time, so we do not have to pass 3 baskets every time at the office. We are going to discuss this the next Thursday 17.

I was talking with Rhonda about carrying the message at the “Mission High School” after classes from 6pm to 7pm for Spanish speaking parents and students. After discussing this at the office, our H&I committee wants to be part of this one day a week. There are three volunteers already to cover Mondays. We are looking forward to having more volunteers as more members join our PI Committee.

Thank you all for let us be at service:

OLD BUSINESS:

Edie here to represent gratitude from central office for the generous contributions to central office. Big Thank you for the generous donations from SAGSC. Extremely grateful!

NEW BUSINESS:

Proposal by Justin read. Proposal 1/13/19

The DCM coordinator and GSR trainer for the southern area to be funded at the regular amount for SAGSC committee chairs to attend the PRAASA 2019 in Irvine Ca. As a one time request.

Background. The purpose of PRAASA is to develop a greater unity among the members, groups and Areas of the Pacific Region, to encourage the exchange of ideas and experiences; and to provide an opportunity for members to discuss pertinent aspects of AA. There are lots of opportunities at PRAASA for the GSR Trainer and the DCM Coordinator to do this. Also, The DCMs and GSRs have roundtables where problems and solutions are discussed. By attending these roundtables we can apply it to our future training. The NAGSC does fund both of these positions to PRAASA. This is only Funds permitting.

voting with one opposed. question by minority opinion: If NAGSC is funding their people then why is SAGSC not? This will be brought up in May. Does anyone want to change their vote? Motion passed. Proposal approved.

Justin and Jonelle will be funded to PRAASA

Anyone else have something they want to bring up for one time funding. Jeff made a motion to fund GSRs and DCMs to PRAASA. we would have $2000 to fund each to up to 20 GSRs to be partially funded.

Motion is “GSRs and DCMs up to $75 each with $2000 to be funded to PRAASA in 2019. motion and a second. all in favor, one opposed. Minority opinion: Love the idea of GSRs and DCMs being funded, but think that the groups and districts should be the beginning of the funding and then SAGSC funding should be supplemental not the only funding source for GSRs and DCMs. Doesn't fell appropriate if groups and districts aren't contributing. Does anybody want to change their vote? Motion passes.

Any other new business.

New finance chair committee members Michelle from Mesquite and Robert G. Thank you!
