DCM's Reports:

District 1- Jake: My name is Jake and I am an alcoholic. I am the current DCM for District 1. Everything is going good in District 1. We hold our meetings the second Sunday of the month at 10:15am in Boulder City at the, Lost and Found Club, except for the months we have the SAGSC meeting. During those months we have the meeting when the SAGS meeting is over in the room to my left. On March 16th we held our first workshop for the year in conjunction with District 9 at the Camel Club with the topic of keeping it green. It was a great workshop! It was a great workshop! We had 4 speakers and pizza and we had really good attendance. We are planning our next workshop right now. We are trying for the end of July or the beginning August, and the topic of our three legacies, and we will have pizza there also. We will be holding our annual picnic this year on Oct. 5th in Boulder City. I will have more about this at our next SAGSC meeting. District 1 would like to say thank you to Sophie for being our delegate and for all the hard work she has done in the first few months of her term. We all really appreciate her hard work and dedication to Area 42 and to AA as a whole. I would also like to thank all of the officers and members of district one. Being the DCM of district 1 has been one of the greatest experiences since I have been in AA. It is only because of all the dedicated members of district 1 that show up to all of our meetings and events. If it was not for them there would be no District 1. Thank you very much.

District 3- Jonelle: Discussed re-imbursement for DCM travels since the district is quite spacious. We have decided to check funds to see if all or partial monies can be repayed. We decided on a 7th tradition workshop to be held in Sept. We are checking with locations for available dates. I (me the DCM) have outreached many meetings in our district and will continue to follow up and make myself available. I have found that some meetings that are in district 3 have been involved with district 9. I am working with John to clean these things up. Thank you for letting me be of service.

District 5B- Michelle: On April 20th we held our first workshop for 2013, it was on, The Traditions. Rick S. was the speaker. Attendance was about 40 and the food was excellent. Peggy, our workshop chair, did a fabulous job bringing this together. Donovan is working on our annual picnic which will be held in October, more information to follow. We are also planning our next workshop in July. Donovan is working on our annual picnic which will be held in October, more info to follow. Our next workshop is being planned for July. We hold our meetings the second Saturday of the month in the KCBC club at 1:30. I want to thank all of our GSRs for their enthusiasm and support for the area and AA as a whole.

District 7- Nelson: My name is Nelson and I am an alcoholic in service as your Southern Area District 7 DCM. Our district 7 business meeting is held on the third Friday of each month at 6:30 pm at the Serenity Club on Shiff Drive in Las Vegas. We regularly have approximately 15-25 attendees. Each month we ask A GSR to give a group report to the district. District 7's, 2nd service event will take place on **June 22, 2013 from 10:30am – 1:00pm** at the Serenity Club. "You have to give it away to Keep It! (The 7th Tradition De-mystified)," featuring a skit performed by the, We are not a glum lot players. Also panel discussion, ask it basket, and as always a complimentary lunch served by Chef Bud. Come early to get a good seat.

I want to remind you that our 28th Annual Mt. Charleston picnic usually held in August at the Foxtail Picnic Grove will be held at an alternate location due to BLM making renovations to the sight. However, we have a

few promising sites that may be available. Don't forget that you can now go to www.LasVegasDistrict7.org to get more information about our events, workshops, and district 7 business.

District 9- John(Alt): Bob Pike is visiting his mother in Massachusetts. District 9 is meeting bi-monthly on the 3rd Saturday at the Central Office at 2:30pm. We had an event at the Camel Club that went very well. We want to thank Cheri for asking district 9 to participate in the dual district that was well attended. District 9 is open to sharing an event with any district that wants too.

Thanks to Sophie for a great delegates' report. I also thank everyone for being of service.

District 11- Chip:

District 13- Glenn: District 13 is doing well, we have 8 GSRs regularly attending our district meetings, all having great ideas on how to make District 13 a more productive, and self supporting district. I continue visiting groups in District 13 to stir up support and to let our members know the importance of being involved in service and being self supportive. I have been handing out our self support packets and various other literatures. This effort has produced a slight increase in group contributions and membership participation. Our GSRs have done a great job at getting speakers were our district 13 speaker meetings held on the second Tuesday of every month. The attendance averages 35-40 people. The 50/50 raffle helps our self support effort, and help increase awareness of our Inter-group committees we give away copies of our Silver Streak newsletter and Grapevine magazines. Our treasurer continues to incorporate ideas to better communicate our financial records for transparency and accountability of our groups and members of the district.

At our April district meeting we invited our past CPC chair and he gave an encouraging and informative presentation on the committees of Cooperation with the Professional Community and Public Information. We elected a new recording secretary and a district archivist. To further the awareness of our Intergroup committees, I've been in touch with Donines our Intergroup liaison discussing in Intergroup committee workshop to be held later this summer.

On June 15th District 13 will host "The Doctor's Opinion" workshop presented by David Warner in the big room at the Triangle Club, from 4:30pm. Flyers are on the table.

Thank you for letting me be of service.

District 15- Shannon:

District 17- Christine: Hi. I am an alcoholic and DCM for district 17. We are currently asking all groups for suggestions for events and workshops they would be interested in. With their responses hope to have an A.A. "FUN GATHERING" by July or August. We are still short in the service areas at District 17, but hopefully by visiting all the groups we can spark some interest in service. We have new groups starting which are going strong. Hopefully, we will tap into the new members. Donations are down but we are holding our own at this point. New up-dated schedules are being made and are available at our next district meeting, June 5th at 6pm. The district meeting has been moved to the new location at, 1230 S. Loop Road, Ste. 2 as have several other groups. If you plan on visiting Pahrump on any (last Sunday of the month) please check out the 1am meeting, "How it Works" at the, Oasis Outreach located at 1059 second St. They have a speaker meeting with a potluck(usually themed) after the meeting. The response has been great as the speakers are fantastic and we have some wonderful culinary wizards in Pahrump. If anyone would like to be of service by being a, Sunday speaker, please talk to one of our District members after the meeting. Thank you for letting me be of service.
