I look forward to serving you in the next 2 yrs. as your registrar and am available for any questions that you may have. Thank you for letting me be of service.

**Delegate Report:** Hello friends: My name is Sophie. I am alcoholic and grateful to be a member of the worldwide fellowship of Alcoholic Anonymous. For another few weeks I serve you as Area 42s' Delegate to the General Service Conference. Welcome to all of you who are new to General Service. Be advised that something you hear or experience today might give you the bug and change your relationship with AA forever!

Our general service board met last week in Rye, New York. Joel C., our Pacific Regional Trustee, shared his report with the delegates on Thursday evening. Everything I heard was about how General Service and our General Service support our carrying the message locally and around the world. This is our 7<sup>th</sup> Tradition at work.

I will use my time to focus on the international part.

Here is Joel: The 23<sup>rd</sup> World Service Meeting was in, Warsaw, Poland, October 12-16. Bob W. trustee at large, U.S. gave this report; Bob shared with great enthusiasm and a big heart about his experience in Poland and Latvia. AA has grown considerably in Poland since the fall of the Iron Curtain, and the Polish General Service Structure has provided a great deal of country-to-country sponsorship in Eastern Europe. There were 61 delegates from 41 countries at the WSM, and the first time attendees were Iran, the Czech Republic, Hong Kong, and Romania. Ali A. from Iran, who liked to joke that his initials were A.A. shared about the challenges of holding meetings in a country that bans alcohol and looks harshly on drinkers, whether they are actively drinking or not. In addition, the Iranian government views anonymous meetings unfavorably, as well. The name "Alcoholics Anonymous" is illegal in Iran, so the movement calls itself, Nameless Sobers."

Bob shared about workshops on singleness of purpose and on women in A.A. Bob reported that he was encouraged to hear a very consistent message in terms of support for the 5<sup>th</sup>

Tradition. He also shared in spite of the fact that there were many stories of the challenges that women face in gaining acceptance in AA in various countries, there was strong representation of women among the WSM delegates.

Bob was moved to tears as he shared about the closing of the World Service Meeting. The Serenity Prayer was recited in 28 languages. I could see and feel the profound impact this experience had on Bob, and I was grateful for the awareness that the delegates assembled in Poland got to feel the heartbeat of A.A. in the U.S. through the big heart of Bob. Bob also

shared

about attending the anniversary of A.A. in Latvia held in Jelgava, Latvia, October 17-18.

Although there has been an A.A. presence there for 26 years, and there was one member present

at the anniversary celebration with 25 years of sobriety, most of those in attendance had between

five and eight years.

There had been a founding member that had gotten things started years ago, but he had resisted rotation and finally had to be lovingly encouraged to allow others to take the reins.

He ended up drinking again, and apparently the use of the Steps and the practice of the

Traditions

really hadn't taken hold until after he moved off the scene. Bob called it a powerful example of bleeding deacon/elder statesman scenario in Tradition Two in the 12 and 12.

Joel has stories of his own to tell, too! He will be with us at the 2015 Pre-conference

Assembly

in Tonopah. If you would like to request that Bob W., our Trustee at Large, come to our Assembly to give a report please make that suggestion to our Area Chair, Phil W.

Nevada Area42 will be hosting PRASSA 2018 in Las Vegas. We are still in the site selection phase and will give updates as we have news.

We will have our panel 65 elections today. Wooo Hoooo! Hang on to your service manuals, a new adventure is about to begin. In coming Area 42 alternate officers and Intergroup

standing

committee chairs: please, before you leave today, be sure to give your name, service position, mailing address, phone number, and e-mail to Cherie on my behalf. I need to send your

contact

information to GSO as soon as possible.

It has been a privilege to serve with you. Thank you for my sobriety and for following wherever Service leads you next.

In Fellowship,

Sophie

**New Proposal;** To amend Southern Area 42 General Service Committee Guidelines.  
**Objective:** To provide funding for all Elected Committee Chairs to the Pacific Region

Alcoholics Anonymous Service(PRASSA).

Rational: To all the Southern Area 42 Elected Committee Chairs to attend and participate at PRASSA. "The purpose of PRASSA is to develop greater unity among the members, groups and areas of the Pacific Region to encourage: and to provide an opportunity for members to discuss pertinent aspects of AA". (taken from the PRASSA.org website.)

The exchange of communication and ideas at this assembly among the Committee Chairs would greatly enhance our effectiveness in our Area with regard to reaching out to our members and the community as a whole.

If this Southern Area Guideline is changed it would make us more uniform with the Northern Area which presently provide funding for their Committee Chairs if funds are available).

Amend these sections:

VI. C. The SAGSC treasury will provide funding for the Southern Area Chair-person, Treasurer, Secretary, Registrar and Archivist to the Pacific Region Alcoholics Anonymous Service Assembly(PRAASA) funds permitting, provided funding is not otherwise available.(Area Officers from Area Funding).

1. ALL PRAASA funding shall be based balance funding formula.

2. "Exotic Location" shall be based on, **Federal Guidelines**.

**This proposal was respectfully submitted by, Leslie Dillard, Southern Area 42 Accessibility Chairperson.**

(The discussion concerning this proposal was enthusiastic, to say the least. It was full of questions and possible answers. However, the noise level of people talking over others, asking questions, trying to answer questions, and talking in general did not allow me, or the recorder to take understandable notes concerning this proposal.)

### **DCM's Reports:**

**District 1- Jake:** My name is Jake- I am an alcoholic. I am the outgoing DCM for district 1. It

Seems just like yesterday I was giving my first report here as the new DCM for district 1. I cannot tell you how much being the DCM for district 1 has meant to me and my recovery in alcoholics anonymous! One of the first sponsors I ever had told me that service work will keep you sober. Of course, there is a lot more to this deal than just that, but I will be forever grateful for that statement. I hear some people say they do not do service work- I am all about working one on one with newcomers. I think this is a ridiculous statement. As if you have to choose between the two. On the other hand I love alcoholics anonymous because everyone is allowed to choose what all of this means to them. General Service is certainly not the only service in AA, but it has certainly saved my life. I really want to say thank you very much to all of the GSRs and committee liaisons that have been there with me the two years of my term. If it was not for all of these amazing committed people I am sure this commitment would have been a nightmare.

I also want to thank all of the committee chairs that have always been there to help me. The first week in October we had our annual family picnic. We had beautiful weather and the picnic was a huge success. Thank you very much to all that attended and all the volunteers who made it such a special day.

The next event that we will be having is a workshop called, Deciphering the ABC's of General Service. It will be held next Sat. November 15<sup>th</sup> from 1-3pm at the Presbyterian Church on Valle Verde and Wigwam. We will have a ton of great speakers, and of course the most important thing at a district 1 workshop, PIZZA. We really hope that all of you mark your

calendars and join us for the last workshop of the year.

Our next district meeting after today will be the second Sunday in Dec. at, The Lost and Found Club, in Boulder City. We will be holding elections for all of our Officer positions and committee liaison positions available. So if you would like to be of service in district one please join us, we will have a lot of positions available.

This will be my last report as DCM. I really want to say thank you to everyone here. The fellowship of general service is one of the greatest things in all of my recovery. You people have saved my life – I love you all.

I look forward to keep being in service in southern area 42 in any way I can, and Please Remember, service work will keep you sober.

### **District 3- Jonelle:**

My name is Jonelle and I am an alcoholic. I have been serving District 3 as their DCM for approximately the past year and 10 months( and plan to continue until the end of my rotation). Since my report at the Sept. Area Assembly, I have attended the young peoples, Straight Pepper Diet meeting... and business meeting... I have much respect for their Enthusiasm and commitment... A.A. is alive and well with the young folks! District 3 hosted an *Everything you wanted to know about service outside your home group Workshop* on Oct. 25<sup>th</sup> and although many panelist felt they were preaching to the choir, I felt it was a much needed recharge and reminder of how much we do in Service and why we do it... and the need to continue to do it...District 3 met prior to this meeting...we have elected our new DCM ...Jerry B. I am super excited to pass the torch. Russ C. will stay on as the districts' treasurer. We also agreed to a prudent reserve and have voted on distribution of funds... I want to thank everyone that I have served with in this rotation... from all the GSRs to my fellow DCMs to SAGSC to the Area Committee...I am a new woman because of this experience... I know that for sure... I am more in love with this program and more committed in doing my part...whatever that looks like... My best to all those who are rotating in and a big thank you in advance...

Thank you for my sobriety and allowing me to be of service.

### **District 5B-**

**District 7: Nelson A:** My name is Nelson and I am an alcoholic. In service to you as your Southern Area 42, District 7DCM. The dist. 7 business meetings are held on the 3<sup>rd</sup> Friday of every month at 6:30pm. at the Serenity Club room 1. Our business meetings are well attended with approx. 20-25 attendees each month. We promote being in service and encourage GSR's to invite their alternate/ and or members of their home groups who may be interested in service to come to our business meetings.

Since, we have elections this month I will be rotating out of my position as DCM. I would like to thank you for letting me be of service. In my years of service in Alcoholics Anonymous nothing has been so fulfilling as serving as DCM for district 7, except for taking a newcomer through the steps, that always takes the cake for me. I would like to thank District 7 for working with me and having my back every step of the way. I wish nothing but the best for the new incoming DCM.

Now I would like to give you guys a update on district 7 events. On Sept. 14, 2014 the 29<sup>th</sup> Annual District7 Mt. Charleston Picnic, was held at the Las Vegas Snowboard and

The district has new ideas for next year and we hope you guys can attend. Next year will be the 30<sup>th</sup> annual Mt. Charleston picnic and may have some surprises up its sleeves. Like going back to the Fox Tail Camp-ground and bringing the cost back down to \$10.00.

On November 1, 2014 District 7 held its' forth service event- "Gratitude in Action." I would give a big thanks to Dano and Kendall for putting the event together and I would also like to thank all of you that were able to attend the event. Incidentally, Dano actually wrote the script himself.

Don't forget you can now go to [www. LasVegasDistrict7.org](http://www.LasVegasDistrict7.org) to get more information about our events, district 7 meetings, workshops, and District 7 business meetings minutes and monthly agendas.

Finally, District 7 welcomes everyone to come join us at District business meetings. Come check us out, we have a lot of fun doing service.

Again, I would like to thank you all for letting me be of service as your District 7 DCM. Respectfully submitted,

Nelson A. – District 7 DCM
