Message from our Delegate

Yo, Yo, Yo!! Here we go. I cannot believe it's already time for another Newsletter Edition. This year is just absolutely flying by. I am writing this article the day after I got back from the 74th General Service Conference of Alcoholics Anonymous. Just like last year, the Conference was jam packed with activities and I have much information to share with the Area. I will be reporting "just the facts" at the next SAGSC and NAGSC meetings. I will also do my best to share what "it was like," meaning I will share from my heart about this deeply personal and extraordinary experience serving as your Delegate at the Conference.

Please join me on May 19 for the SAGSC report at the Las Vegas Central Office and then again on June 1st for the NAGSC report in Gardnerville, Nevada. Then, join me again in Tonopah on September 6 – 8 where I will share a multimedia, slide show presentation at our Fall election Assembly with many more details about my personal experience at the Conference.

Serving as the Area 42 Panel 73 Delegate has absolutely been the most amazing experience I have ever had in my entire life. I will never be able to put into words what it has meant to me to serve our Area in this position. I wake up every day full of gratitude for all the people in Alcoholics Anonymous who came before me and saved my life.

Lastly, I want to encourage everyone to download and subscribe to the Grapevine and/or La Viña apps. For only \$2.99 a month and with all the features you receive, this is a great deal. When I got back from the Conference yesterday, I opened my email and found out that the Grapevine is publishing a story I wrote at a District Grapevine workshop in 2018! My story will be in the June issue, so subscribe to the Grapevine and check it out. Thank you so much for all of your service and thank you for saving my life!

Message from our Area Chair

My name is Lyle, I am alcoholic, and for a short time more I have the honor of serving you as your Area 42 Chairperson. Thank you for your participation at the Spring Assembly. Because of your commitment to representing your groups and serving the Districts, we had 231 in-person members in attendance and 25 virtual members attending. Our Higher Powers have brought us a long way, individually and collectively, from the shutdown we had a few years back.

To those who missed the Spring Assembly, we will give you another chance in the Fall on September 6-8, 2024, in Tonopah. This will be our election Assembly. We will also hear and vote on a second reading on a guideline change and hear a safety presentation by Rhonda F., Past Panel 69 Delegate. Please share this information with your groups and ask them to bring their enthusiasm to Tonopah in September. The groups also need to know about the financial decisions that are before us and we will be approving the 2025 budget at that Assembly.

The Assembly agenda will include the election of our next process itself, in my opinion, can be as

***Our Higher Powers
have brought us a

and collectively, from
the shutdown we had
a few years back.***

alternates. If you have never experienced the “Third Legacy” election procedure, the outcomes. The first time I experienced the election of a position that was determined by “going to the hat” was incredibly powerful. This experience fully demonstrated how different our organization is from other entities. I experienced our spiritual principles in action. (Please see the “Third Legacy Procedures” on page 110 of our Service Manual.) Alcoholics Anonymous is truly

unique among democracies for its manner of selecting its leaders. Come and check it out! There will be time before each ballot for the candidates to introduce themselves to the Assembly and they may provide a General Service resume, but it is not mandatory. Those of us making ourselves available for Area positions will have the opportunity to speak for up to two minutes. We will schedule this time specifically for the benefit of those who may not be acquainted with the candidates in service. Again, thank you for the privilege to serve as Nevada Area 42 Chair.

The Fall Assembly is September 6-8, 2024. The Mizpah and Belvada hotels are offering a discounted rate to our Assembly attendees. The booking code is **Area42**. If you have already reserved a room at one of these hotels, please call to cancel and rebook at the discounted rate. The special rate will end two weeks before the Assembly. The Mizpah nightly economy rate is 134.99, Belvada starts at 149.99. There are less expensive rooms in Tonopah, some are under \$100 a night. Remember, sharing your room and ride brings down the cost. DCM's, please share this information with your GSR's and AA members.

Message from our SAGSC Chair

Yeah! We made it through March Madness! Jake's feet are back on the ground in Las Vegas (who knows where his mind and heart are!) and we will have a full report from him at our May 19th SAGSC meeting. I wonder if he got to read the new Big Book translation? ...

Since the last newsletter, I attended PRAASA in San Francisco – thank you. A friend and I volunteered at the local BART Station to greet our fellows and help them get where they were going. I love service and PRAASA is an amazing service event. I love the roundtables, where we get to meet with other people in other areas who hold the same service positions we do and learn what they are dealing with – or have already dealt with successfully (or unsuccessfully). I met with other area Chairs and learned we are not the only area challenged by hybrid meetings – and everyone else is also trying to figure out what to do with their past-Delegates! 😊 I learned some areas don't have Guidelines – they have Handbooks, which are not as formal as Guidelines and are much easier to change. The various outgoing Trusted Servants (chairs, officers, committees, etc.) write hand-off documents to the incoming Trusted Servants so they will have a clue what their predecessor has done in that position. I attended an Archives roundtable to bring back information to our Archivist (and because I love the Archives). They had lots of questions around digitizing area archives (and what to do with originals), defining the scope of the archives, anonymity, traveling displays, etc.

In addition to the great conversations with other servants, the presentations on the Agenda topics and comments from the floor were pretty amazing. At every PRASSA, someone moves me to tears and gives me a perspective I didn't see coming. I can sit in Las Vegas and roll my eyes when the topic is preparing or revising yet another pamphlet, and then cry when I hear how a particular pamphlet changed someone's life. The longer I'm in AA, the less I know for sure. What I do know for sure is that we reach each other and the outside world in ways that are beyond comprehension or planning. This thing just works.

A couple of weeks after PRAASA, it was time for the Roundtables. I love how we have hybrid meetings in the North and South and we are all welcome everywhere. I know it's an Outside Issue, but AA is the only place in the State of Nevada where the North and the South come together and it works! And we do it with love, kindness, and respect. Who knew?!

We enjoyed more presentations and a review of the Northern and Southern topics in Tonopah. I love Alcoholics Anonymous. Is it any wonder that the theme of this year's conference is: "Connecting with Love, Unity, and Service"? Yep. That's us!

Message from our Alternate Delegate and NAGSC Chair

Hi, Area 42 I hope everyone enjoyed the Area 42 pre-conference Assembly as much as I did. It was nice seeing everyone and there were some great discussions. As for me, after the Assembly I start praying for Jake's health and safety so that he will make it to the General Service Conference (GSC) and he made it there safely.

I would like once again to thank all of the Area Conference Committee (ACC) chairpersons and their alternates and everyone on their committees that participated in the summarizing of the GSC agenda items and all of those that did presentations. I would like to thank everyone on the translation and interpretation committee for getting everything

translated before the Assembly. Thank you, thank you all. I would also like to thank all of those that gave feedback at the NAGSC, SAGSC, roundtable meetings and at the Area 42 Assembly. This information is invaluable as this is how we all hear the voice of the fellowship in our Area. The next NAGSC meeting will be in Gardnerville where we will hear Jake give his Delegates report on the GSC. As this will be hybrid I hope to see you all there. Thanks for allowing me to serve.

Message from our Area Alternate Chair

Hello Area 42! My name is Jonelle and I am an alcoholic. I am blessed to be serving as your Alternate Area Chair. Wow! What a great Assembly we just had!!!

Service allows me to feel whole in Alcoholics Anonymous. I never thought that would happen, like never! It took many years for me to feel a part of or even want to! I was young and barely surviving in New York City, completely engulfed by this new phenomena called raves and the sad and sick lifestyle that came with them for me. I felt no one understood or identified with me. Fast forward 30 years and I am able to serve with a passionate and compassionate troop of trusted servants who all have the same goal with the work we do.

I love that Area 42 was willing to look at ourselves in the Fall of 2023. I love that I was asked to Chair the Ad Hoc on suggesting what could possibly be a solution to some of our "discoveries." I love that we have had several opportunities to share them with

you all! During the Assembly Standing Committee Chair's meeting on Sunday morning, we spent a portion of our time discussing the recommendations and some ways we could implement them right away. That took place during new business and I am so grateful! Our hope, as a committee, is that we grow forward.

As I had mentioned during the opening blurb during our presentation, "Inventory actions take time." I am excited to see where we take these recommendations, and what new ones can be made and applied. In case you haven't seen them enough, they are also enclosed in this Newsletter. This will allow anyone who was not at the Assembly to see all the amazing work we get to do and our commitment as an Area, to alcoholics and to A.A. as a whole. Thank you for all you do and allowing me to do it with you.

Message from our Area Alternate Secretary

It's time for another edition of the Newsletter and I scratch my head trying to think about what to write. The biggest event of the season is the Spring Area Assembly. It was my first time being in charge of the Area literature. It seems it is right down my alley. It's about organizing and tracking things. First was to take an inventory of what we have. Well, I have a lot of years taking inventory so that part wasn't too bad. I now have two lovely spreadsheets. Soon to be color coded. The really interesting part was trying to figure out the titles of the Spanish literature. Some of them were easy to translate, others not so much. In the end though it was fun. Next was ordering replacements for missing books and pamphlets. All of that wasn't too bad.

Then came the really fun part, trying to figure out how to transport all the materials. I received the literature in totes and could barely pick them up. I transferred the literature to large suitcases with four wheels and a handle. That worked better except it took two of us to get them into the car. I'd like to get it organized so that I can lift then my myself. Although I'm not against asking someone younger and stronger to help.

I had all kinds of help setting up at the Assembly. Selling the books and pamphlets was actually really fun too. Everyone was so nice. Some things sold more than others; I sold all 20 service manuals by

Saturday afternoon. I expected that, you know, I was at a service event. Also, I sold a ton of Sponsor Pamphlets. That didn't surprise me too much either. What did surprise me, was how many people came up asking for Big Books. I'll be ordering several of all the sizes for the next Assembly. If anyone has anything they know they are going to be looking for you should let me know about a month or so ahead of time so I can have them for you.

I've been reading various service pieces about literature committees and such and one of them suggested I host a literature workshop. It seemed like a good idea so I'm going to do it. I'm going to have a LITERATURE FESTIVAL on Saturday June 24th at the Central Office from 2 to 4 pm. There will be refreshments of course and some prizes. I've invited the Grapevine to bring their literature. I'll also be reaching out to others to help. More details and a flyer to follow. I'm thinking next year I'll host one in North; I think I'd love to take a trip up there and visit all my service friends.

Well, I guess that's it for the exciting world of Area 42 Literature. I can't thank everyone enough for the opportunity to service Area 42. In love and service,

Libby G., Alt. Area Secretary/SAGSC Secretary

AREA 42 - INVENTORY RECOMMENDATIONS

Statement of Purpose: The purpose of the Inventory Recommendation Ad Hoc Committee is to suggest possible ways to implement the feedback given during our Fall 2023 Area 42 Inventory. Our hope is that the action-taking steps recommended will allow our Area to grow forward and bring about necessary changes that will begin to lead us in the direction of deeper inclusivity, attraction, outreach, understanding and ultimately, involvement.

Topic 1 – GSRs**Questions**

- What can the area and the districts do to inspire GSRs to get in and keep them involved in general service?
giving too many reports and if so, how could we replace time spent giving reports with other relevant information? – Addressed through the assembly inventory sub-committee.
- Should we assign DCM, GSRs & Alt GSRs to a standing committee (rather than let them pick) to better mirror the General Service Conference. Why or why not? – Not discussed during the inventory. No recommendations.
- What would be more ways to prepare the GSR's for their position in addition to using the GSR Survival Manual and orientation at the Assembly?

Area Discussion

- Prepare & encourage GSRs via
 - Visiting Home Groups & improve GSR selection process
 - Traditions meetings
 - District meetings – DCMs to explain things
 - NAGSC & SAGSC meetings
 - Assembly – have extra opportunities for GSRs to ask questions
 - ACC committees
 - Area Newsletter as source of information
 - Be enthusiastic about service when sharing – especially at a regular meeting
 - Serve food
 - Encourage GSRs to explore different aspects of service work
 - Encourage Alternate GSRs to get involved
- Educate
 - What are their duties and responsibilities?
 - Give them GSR & Home Group pamphlets
 - Educate on Service Manual
 - Provide additional GSR workshops or roundtables
 - Service sponsorship
 - Virtual GSR orientation for remote areas
 - Educate on what is a group conscious
- Explain financial assistance available

Recommendations

1. Create an Area 42 DCM orientation packet (with Conference approved literature):

- a. A checklist for DCMs
 - i. Am I ready to be fully present when I am giving presentations? Reference leadership, enthusiasm and attitude?
 - ii. Glossary (definitions) – NAGSC/SAGSC/ACC/NNIG/LVCO etc.
 - iii. Resources: website, newsletter, service manual, GSR Kit, rosters
 - iv. Suggestions for workshops – traditions, service manual, GSR orientation
 - v. Outreach committee for inactive groups
 - vi. Introduce ACC to GSR - google drive
 - vii. Options for financial assistance
- b. A checklist for GSR self-selection “So you wanna be a GSR?”
2. Create Area hybrid, in-person, or virtual trainings:
 - a. DCM/Alt DCM trainings
 - b. GSR/Alt GSR trainings
 - c. ACC trainings
 - d. Workshop ideas: Traditions, Concepts, Service Sponsorship, Service Manual.

Topic 3 – Remote Communities & Dark Districts

Questions

- How can we better serve and engage our remote communities within the cities, like Native American, Spanish-speaking, Asian, Black, Muslim, etc.?
- How do we encourage AA members in the larger cities and towns to make the effort to travel to remote meetings?
- Who's missing from our rooms? Why? What is our part in their absence?
- How can we improve on reaching out to dark & dim districts?

Area Discussion

Communication is critical

- Conference calls
- Virtual connections
- Read Conference Remote Communities reports
- Find contact people if no GSR
- Be enthusiastic
- Visit remote communities
 - Strong districts sponsor less active/dark ones
 - Combine districts
 - DCM outreach
 - DCM Coordinator & GSR trainers could do outreach
 - Use YPAA people
 - Use committee systems (CPC & PI)
- Area to financially support traveling to remote communities
- Create an Area Remote Community Committee
 - Or create a remote communities liaison to work w/PI, CPC, Accessibilities, etc.
- Consider Urban remote communities
 - Start a BIPOC group
 - Who's missing?

- People with neurodivergence (PTSD, on the spectrum, etc.).

Recommendations

1. DCMs collaborate with other districts within the area to reach remote communities no matter the geographic, language or cultural differences
 - a. Using Face-to-Face, Virtual or Conference Calling
 - b. DCM Coordinator and GSR Trainer assist in Outreach
 - c. If the General Service Conference Remote Communities Report is available, post to the Area 42 website and make it available at the Area 42 Assembly as a resource to read.
 - d. Reach out to the inactive groups and let them know a contact person is better than no person. Keep the contact person informed as we would any GSR.
2. USE YPAA!!!
3. Area 42 support any request to start (Special Interest) Groups - BIPOC, LGBTQA+, Languages, Etc...
4. Area 42 creates a Remote Communities liaison to work w/PI, CPC, Accessibilities, etc.
5. We recommend that the Area financially support travel to remote communities.

Topic 5 – Area Assembly**Questions**

- Why do we do new business on Sunday mornings when people are leaving or have left?
- How can we improve the assembly agenda?
- Do we still need the blue room?
- Should anyone be able to attend the blue room as an observer?

Area Discussion**Communication is Critical**

- Improve agenda
- Consider best use of reports from DCM's, officers, and liaisons
- Get communications out earlier
- Ask GSRs how we can help
- Trim out redundancies
- Encourage asking questions
- Educate on alphabet soup

Educate

- On assembly expenses: i.e. Passing the basket
- Funding GSRs, DCMs and officers
- Purpose of blue room (12 comments)
- On need to stay Sunday morning
- Past servants as service sponsors
- Assembly is an opportunity to learn

Recommendations**PREPARING FOR ASSEMBLY:**

1. Define acronyms: (Alphabet soup) ie: GSR (General Service Representative), GSO (General Service Office), GSC (General Service Conference), etc.
 - Put a glossary in the DIGITAL packet
 - Make bookmarks and put them in the PHYSICAL packet
 2. Make it clear the assembly is from Friday evening through Sunday noon.
 3. The finance committee to draft a funding document. Who is funded and what sources are available? Included in the DIGITAL packet.
 4. Consider calling the 1st year fall assembly in a panel the “education assembly”.
- Examples could be:

- How does an agenda item happen?
 - Have tables for all service committees where members can informally learn. ○ Workshops
 - Area Conference Committee training
5. Ask the chair to focus on the important of service sponsors

IMPROVEMENT TO THE AGENDA:

1. Consider developing a realistic timeline for delivering the digital package to the body
2. Consider time limit for each report and presentation
3. Consider best use of DCM, Officers, Chairs and Liaison Reports
 - Include the reports in the DIGITAL packet
 - Encourage presenters to share inspirational highlights, more details can be included in the written report
 - Include a map of districts in the PHYSICAL packet.
4. Ask GSR’s how we can help
 - Change “What’s on Your Mind” to “How Can We Help?”
5. Get Communications out earlier
 - Translation, are we taking into account translation time?

THE FLOW OF THE ASSEMBLY:

1. Make a clearer announcement about why we pass the basket multiple times.
2. The chair lovingly reminds the speakers not to repeat what others have already said.

THE BLUE ROOM:

1. Rename to the “Area Committee Meeting”
2. Make announcements about what happens and that we don’t make assembly decisions.
3. Add two (2) to four (4) virtual Area Committee Meetings annually on a trial basis for a panel.

Topic 9 - Area Inventory

- What do you want to see be a result of this inventory?
- What are you willing to do to help to make that happen?

Area Discussion

- Ad hoc committees to make recommendations re: inventory findings
 - Wants to see more practical, action-oriented stuff for GSRs
 - Consider an ACC Coordinator position
- More plain language, more transparency, more communication for GSRs
- Fund officers and committee chairs more for travel
- More unity between N/S - more events
- Deepen cultural connections Spanish/English districts and members
- Increased communication between all service positions

Recommendations

1. An ACC (Area Conference Committee) Coordinator: Currently the Alt. Delegate informally has the responsibilities of overseeing the ACC.
 - a. We recommend that this either becomes an Alt. Delegate position or that we create an ACC Coordinator position. Both will be a proposal and a guideline change.
2. With the combining of the treasuries, the Area review current spending priorities, not being constrained by current guidelines.
 - a. options for other travel
 - b. providing funding for events which promote Area-wide unity
3. Create an Area standing Unity Committee.
 - a. Including members from geographic locations, linguistic communities, service positions and past delegate(s)

In the years ahead A.A. will, of course, make mistakes. Experience has taught us that we need have no fear of doing this, providing that we always remain willing to admit our faults and to correct them promptly. Our growth as individuals has depended upon this healthy process of trial and error. So will our growth as a fellowship.
