TO EVERYONE IN AREA 42

From our Delegate

pg 3

Hello Area 42,

If we haven't yet met, my name is Sophie. I am alcoholic. You have given me the most amazing gift: the opportunity to serve our groups in Area 42 as a Panel 63 Delegate to the General Service Conference. I am humbled by your trust in me and as wide-eyed as every other newly-rotated trusted servant.

Each delegate to the General Service Conference is randomly assigned to work on a specific committee. I will serve on the Policy and Admissions (P.A.) Committee for both years I am delegate. I have a secondary assignment on the Conference Committee for International Conventions and Forums. (If you're interested in the work of these committees please see our A.A. Service Manual, Chapter 8.) To date, here's what it's like to be a delegate.

I have received many warm and welcoming e-mails from around the country packed with information, instructions and suggestions. The conference coordinator sent greetings, many instructions, time-lines, deadlines, and best wishes. The staff secretary to the Policy and Admissions (P.A.) Committee mailed me a weighty

Hello Area 42,

I hope the winter is seeing you well!

The secretary position has been eventful. With lots of help the rosters have been completed. They are a work in progress as many people do change their contact info from time to time. Please be patient in any spelling or

other error. You may email any corrections to me at jpvegas333@cox.net. Some reminders for our Area Assembly in Tonopah: Bring pens, there is limited available in Tonopah. Also if you have AA related events you would like known by the area, bring plenty of copies. Registration is open for a few hours try to show up early so

as not to wait in line.

Be sure to check your packets before we start. We do our best to make sure everyone has copies of everything but sometimes we make mistakes. There will be lots of paper work. I will have most of the stuff available on a jump drive. You may upload it onto your device, or I can email it to you as

well once we are there. There is wifi at the convention center. You may also make copies there, I believe the charge was .25 cents per page last time.

Please do not hesitate to ask question. I hope to see you all there!

Yours in Service,

Justin P.
Area Committee Secretary

The Camel Story

The camel each day goes twice to his knees. He picks up his load with the greatest of ease. He walks through the day with his head held high. And stays for that day, completely dry. Spiritual Principals :

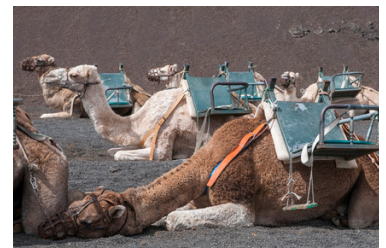

- * Prayer
 - * Faith
 - * Spirituality
 - * Sobriety –
- One day at a time.*

Dr Bob, “. . . would explain prayer by telling how the camels in a caravan would kneel down

in the evening, and the men would unload their burdens. In the morning, they would kneel down again, and the men would put the burdens back on.”

“It’s the same with prayer,” Dr. Bob said. “We get on our knees to unload at night. And in the morning when we get on our knees again, God gives us just the load we are able to carry for that day.”

Reprinted from:
Dr. Bob and the Good Oldtimers (1980), page 229

Camel Prayer

“The tasks of the day can pass with ease when a camel or I start on our knees. One Master we serve, the camel and I, and stay for that day completely dry.”

From Our Delegate... (continued from pg 1)

packet containing an introduction to the conference committee and 70+ pages of highlights and advisory actions since 1952. The delegate chairperson of the P.A. committee e-mailed to suggest additional readings that would help us Panel 63s prepare to jump into the stream of business.

And our Pacific Region Trustee reminded me to reread Alcoholics Anonymous, A.A. Comes of Age, The A.A. Service Manual and then to spend additional time on our Traditions and Concepts.

All of our literature gives me pause. Concept IX and Bill's 1959 Grapevine piece "Leadership in A.A.: Ever A Vital Need" make me ask myself, Am I contributing to the growth of our next generation of trusted servants? If so, how? If not, why?

This year, for the first time ever, the General Service Conference will take its inventory. In the spirit of this important piece of work at the conference I invite groups, districts and all parts of Area 42 to consider doing an inventory as well. Another way to participate in the conference proceedings is to engage members in the same presentation and discussion topics.

"Self-support – What Does it Mean to the Fellowship?" is perhaps the most important topic for sharing sessions right now. A.A. as a whole needs the benefit of our groups' conscience. Whether you're in the North or the

South, please be sure to join the Preconference Roundtables this weekend and take what you learn back to your home group. GSRs: this is where it gets exciting! "Being the link" between the group and the General Service Conference will take on new meaning. I promise!

One last thing. I received an email from Michael D., a second-year delegate from Western New York assigned to be my *buddy*. I asked him what I really need to know to be an effective delegate. He said: "Bring comfortable shoes. Book your travel early. Rule 62." Check. Check. Uhhh.... what an order!

*Yours in Unity,
Recovery and Service,
Sophie K. Your Area Delegate*

*A*lcoholics *A*nonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are selfsupporting through our own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.
