Greetings, Friends...!

Area 42 is alive and well and we are getting ready for a busy year – this one’s going to be really busy and I am excited about it.

We are currently working on getting you the background summaries on the Conference agenda items by March 1st. We are all meeting in our prospective North & South locations to discuss four agenda items on March 14.

Please share all of the summaries with your group and if there’s a topic that stands out for you, please let me know. Plus you will have time to talk about your feelings/experience on an item even if it’s not on our Area Agenda – because we really want to hear from you in the Area Assembly March 27-29.

PRAASA is being held March 6-8 in Layton UT, please see their web site for registration and hotels. This is an annual service assembly where the entire region (9 states and 15 Areas) meet to talk about our upcoming

Area 42 Pre-conference Assembly March 27- 29, 2015

Hi there,

I am really looking forward to the upcoming Assembly at the end of March. First comes the work of Receiving the General Service Conference Agenda Items which will be summarized and presented at our North and South meetings where we will be able to let our Groups know about the Items and then come out to Tonopah to inform our delegate Michael about how our groups feel.

I was able to go out to Tonopah early in February to check out the Conference Center, after which I went up the hill to the Historic Mine Center. I had never been up there. It is really interesting. They even have two hour Polaris (4 wheelers) tours for a really low cost. Check it out if you have extra time.

One more thing, I feel that Nevada is a very beautiful place and we come to Tonopah from all different directions. Please take pictures on your drive to the Assembly and email to me the images. We can have a slide show during our Banquet Saturday night. Be sure and enjoy life.

I love you all,
Phil W.

Welcome to your Spring 2015 Area 42 Newsletter.

I hope you all find this edition as informative and entertaining as those created by our former editor, Irene P. Her fun loving nature, care and expertise were apparent in each newsletter. I will strive to follow her lead.

Please join me in thanking Irene - profusely - for her past service which includes so many things such as creating the template for this very newsletter. I would also like to thank the area for this appointment. It is an honor.

This publication is a line of communication for our area by our area. Together, we can continue to make it great. As editor, I am open to suggestions, submissions and any feedback from you. Your input is always welcome. Please send stories or ideas to me three weeks prior to deadline for consideration. Area 42 publishes four newsletters per year: Feb. 23, April 30, Aug. 10 and Oct. 31.

Yours in service,

Dr. Bob's farewell talk given July 3, 1950 at the First International A.A. Convention in Cleveland, Ohio

My good friends in A.A. and of A.A.,

I get a big thrill out of looking over a vast sea of faces like this with a feeling that possibly some small thing I did a number of years ago played an infinitely small part in making this meeting possible. I also get quite a thrill when I think that we all had the same problem. We all did the same things. We all get the same results in proportion to our zeal and enthusiasm and stick-to-itiveness. If you will pardon the injection of a personal note at this time, let me say that I have been in bed five of the last seven months and my strength hasn't returned as I would like, so my remarks of necessity will be very brief.

There are two or three things that flashed into my mind on which it would be fitting to lay a little emphasis. One is the simplicity of our program. Let's not louse it up with Freudian complexes and things that are interesting to the scientific mind, but have very little to do with our actual A.A. work. Our Twelve Steps, when simmered down to the last, resolve themselves into the words "love" and "service." We understand what love is and what service is. So let's bear those two things in mind.

Let us also remember to guard that erring member, the tongue, and if we must use it, let's use it with kindness and consideration and tolerance.

And one more thing: None of us would be here today if somebody hadn't taken time to explain things to us, to give us a pat on the back, to take us to a meeting or two, to do numerous little kind and thoughtful acts in our behalf. So let us never get such a degree of smug complacency that we're not willing to extend, or attempt to extend, to our less fortunate brothers that help which has been so beneficial to us.

Thank you very much.

(Dr. Bob along with Bill W. are considered by many to be the co-founders of A.A.)

Greetings

80 Years - Happy, Joyous and Free

The 2015 International Convention of Alcoholics Anonymous will be held July 2-5, 2015 in Atlanta, Georgia. For more information, please visit aa.org.

“We are people who normally would not mix. But there exists among us a fellowship, a friendliness, and an understanding which is indescribably wonderful.”

From “Alcoholics Anonymous”, Chapter Two, “There is a Solution.”

We are average Americans. All sections of this country and many of its occupations are represented, as well as many political, economic, social, and religious backgrounds. We are people who normally would not mix. But there exists among us a fellowship, a friendliness, and an understanding which is indescribably wonderful. We are like the passengers of a great liner the moment after rescue from shipwreck when camaraderie, joyousness and democracy pervade the vessel from steerage to Captain’s table. Unlike the feelings of the ship’s passengers, however, our joy in escape from disaster does not subside as we go our individual ways. The feeling of having shared in a common peril is one element in the powerful cement which binds us. But that in itself would never have held us together as we are now joined.

The tremendous fact for every one of us is that we have discovered a common solution. We have a way out on which we can absolutely agree, and upon which we can join in brotherly and harmonious action. This is the great news this book carries to those who suffer from alcoholism.

An illness of this sort - and we have come to believe it an illness - involves those about us in a way no other human sickness can. If a person has cancer all are sorry for him and no one is angry or hurt. But not so with the alcoholic illness, for with it there goes annihilation of all the things worth while in life. It engulfs all whose lives touch the sufferer’s. It brings misunderstanding, fierce resentment, financial insecurity, disgusted friends and em-

ployers, warped lives of blameless children, sad wives and parents - anyone can increase the list.

We hope this volume will inform and comfort those who are, or who may be affected. There are many.

Highly competent psychiatrists who have dealt with us have found it sometimes impossible to persuade an alcoholic to discuss his situation without reserve. Strangely enough, wives, parents and intimate friends usually find us even more unapproachable than do the psychiatrist and the doctor.

But the ex-problem drinker who has found this solution, who is properly armed with facts about himself, can generally win the entire confidence of another alcoholic in a few hours. Until such an understanding is reached, little or nothing can be accomplished.

That the man who is making the approach has had the same difficulty, that he obviously knows what he is talking about, that his whole deportment shouts at the new prospect that he is a man with a real answer, that he has no attitude of Holier Than Thou, nothing whatever except the sincere desire to be helpful; that there are no fees to pay, no axes to grind, no people to please, no lectures to be endured - these are the conditions we have found most effective. After such an approach many take up their beds and walk again.

Last modified March 2009

Alcoholics **A**nonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are selfsupporting through our own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.
