## A WONDERFUL ASSEMBLY

### Message from Area Chairperson:

Hello Area 42!

We had a wonderful Assembly over the weekend of March 26-28th. We are still abiding by the CDC guidelines, which means we spent three days together virtually rather than at our traditional Tonopah sweet spot. We had over 100 in attendance, and lots of participation from all of you. As the Nevada Area 42 Chair I have the job of creating the assembly agenda and sticking to it during the planned time. I get to see all of your beautiful faces, I get to hear all of your voices. And what a blessing that we all can be together during this time of physical separation.

This assembly we had a lot to cover. Friday we heard reports from all of the districts and standing committees. Saturday we had a day filled with the agenda topics that the delegate had chosen to get specific feedback. Many of you presented and gave feedback and it is such an honor to facilitate the process of getting that feedback for Julie, our delegate, to take to the General Service Conference (GSC) for our Area. We had presentations regarding the possibility of hybrid meetings, treasury unification, and some first readings of guidelines changes to clarify and unify our area. We wrapped up our day with our lovely Pacific Region Trustee Kathi F. sharing her experience, strength and hope.

Sunday we began our morning with an open discussion AA meeting. What a treat to get to feel

the spirit of AA from our own living spaces, and be so far apart yet feel so very together. The heart and love for general service and love for AA was palpable and brought many of us to tears. Truly one of the greatest gifts of my sobriety is to feel the love pouring from your hearts when we experience the gratitude of serving each other.

A proposal to help our Area be self supporting by looking into having our own Zoom account was read, discussed, voted on, and accepted. I realize there are some that are not fans of the virtual meeting, but in light of the current situations the virtual platform has allowed many to gather where we would have not only been isolated but truly solitary. We do not intend to replace person-to-person meetings, just allow those unable to attend in person the choice to still participate. Our Area Conference Committees shared what they learned by going through the conference agenda items. What began (and possibly a little bit still) as a strained new process is gaining traction and our Area is becoming more informed about how the GSC operates and the vast expanse of topics that are covered by the delegates and trustees to keep AA accessible to *anyone* who would like it.

Sunday ended with our beautiful past delegates answering questions from the ask-it-basket. We welcomed a past delegate who is new to our area, and heard the perspectives from the others about if the Conference Committees are working, if we need more technology support for this quickly growing need to expand our communication efforts, and the process of how AA works, and how our voices are heard from every avenue. Lots of good history and perspective, and unity was maintained as the guiding force for the entire assembly.

What a treasure to be in front of you all, learning new things (all of us!), keeping order while remaining flexible, and most importantly,

showing my gratitude in action by participating in service work. I do hope that the state guidelines allow us to meet in person in the fall. We made it work, but there are some parts that are lost by not being in person. I miss your hugs and your snacks. I miss making new friends, and meeting up with old friends. It will make our being together oh-so-much-sweeter knowing what it means to truly gather if we are able. Much love and gratitude for the process and the growth. Next Assembly September 10-12, in Tonopah. Get your rooms reserved! Get your people together to drive there. See you there!!

With love and gratitude,

Lisa I. [chairperson@nevadaarea42.org](mailto:chairperson@nevadaarea42.org)

## **Area Conference Committee Report- Literature:**

Hi, my name is Claudia B., and I am an alcoholic. First, I would like to thank Julie and Jake for the opportunity to be of more service by asking me to Chair the ACC Literature Committee. This was a very easy task thanks to the dedicated members of the committee. Literally everyone completed their assignments within 48 hours. The summaries were great, and I was actually expecting this to be a daunting task. It really was not.

Next, I have come to the stark realization that we in AA are not fond of change. Literature changes at the pace of sleepy snails. This is my experience as I delved a bit into the issues that face the Literature Conference Committee.

To begin with, about 1/3 of the 28 items on the agenda were already summarized from last year which only left 19 items to summarize. These included items M (1) and M (2) through AA (1,2,3, and 4). These were very interesting ones, too. Meaty, even. Some very controversial. I explained to the committee that it was very important that they answered the question contained within the Agenda Topic. The example that I used was that when I was teaching, I would tell me students that when I asked them to tell me the colors of apples, I was not asking for the history of apple growing in Washington state. I often got the latter. So, for the most part, I received the colors of apples.

Some of the writeups of summaries were quite lengthy and some succinct. I learned more about the AA World Services, Inc Policy on Publication: Keeping Literature Current. There were agenda items that were drafts, changes and/or updates on

The Twelve Traditions Illustrated pamphlets (and the recommendation that we also keep the original one), the Concepts Illustrated pamphlet, the 12 Steps illustrated and a new pamphlet on the 3 legacies. Other updates and change recommendations include the topic of safety in Living Sober and the Sponsorship pamphlet, updates on Young People in AA and the future of the pamphlet "Too Young," and the pamphlet "The AA Group." Other agenda items include updates of the pamphlet for Native North Americans and the updates of the pamphlet for Spanish-speaking women.

Two major pieces of our literature were also addressed. First the suggestion that we put the long form of the traditions before the Traditions in the 12 x 12. And, more controversially, the topic that seemed to receive attention at PRAASA and in the background info was the discussion about figuring out if there is a common solution to the cultural, accessibility, relatability, gender identity and reading level questions presented by different members of the AA community. In addition, there are items regarding a 5th edition and additions to the Big Book in the new edition. Always a lively discussion getter.

And, finally, I want to thank you all for allowing me to be of service.

**CITF-** A committee in some areas that deals with Corrections, Institutions and Treatment Facilities

**CPC-** Cooperation with the Professional Community. This committee shares our program with professional groups and individuals who have contact with alcoholics.

**DCM-** District Committee Member serves as the leader for the District's GSRs, and facilitates communication between the groups and the area committee.

**GSB-** General Service Board. The 21 trustees, both alcoholic and non-alcoholic, who oversee the General Service Office, A.A.W.S. and the Grapevine.

**GSC-** General Service Conference is the annual meeting (held each April) of the Area Delegates, the Board of Trustees and the GSO staff.

## Conference Committees:

Service Manual- Chapter 8

**GSO-** General Service Office; coordinates the wide array of activities and services for all A.A. groups in the United States and Canada.

**GSR-** General Service Representative. Provides the primary communication link between the group and AA as a whole. A GSR is elected by his/her home Group to represent that Group's opinion in discussions at the District and Area levels, and keeps the Group informed of important decisions, discussions and events occurring within A.A.

**GVR-** Grapevine representative – facilitates the subscription sales for the Grapevine.

**H&I-** Hospitals and Institutions committees are usually part of an intergroup committee whose purpose is to facilitate A.A. meetings in correctional and treatment facilities.

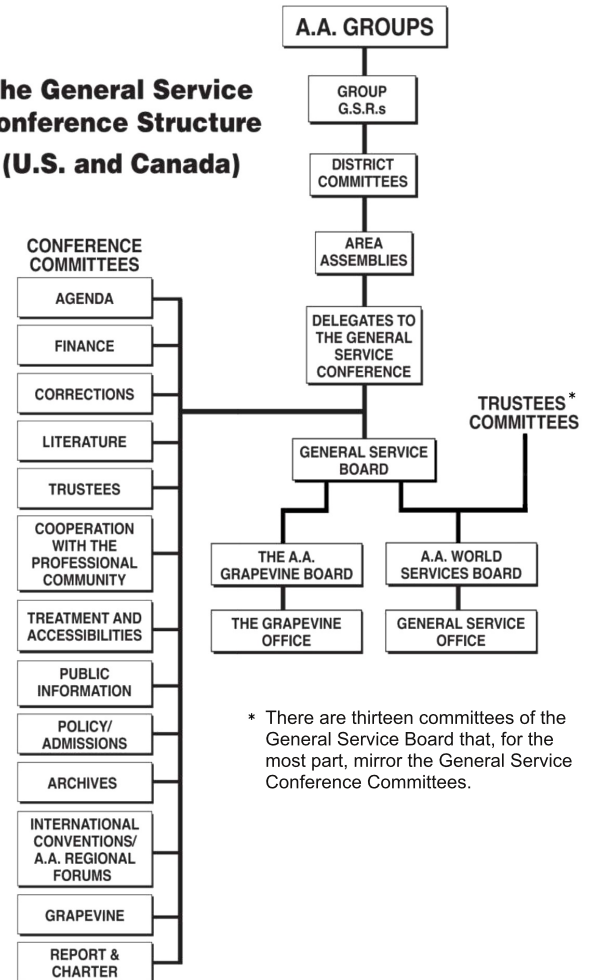

**NAGSC-** Northern Area General Service Committee. Due to the large geographic size Area 42 is divided into Northern and Southern Area Committees to facilitate meetings other than the Area Assemblies.

**OD-** Open Discussion meeting. For anyone interested in A.A. or alcoholism.

**PCA-** Pre-Conference Assembly. The Pre-Conference Assembly's primary purpose is to discuss the agenda items of the current GSC and inform the delegate of the Area's group conscience, thoughts and experience on the Agenda items that will be before the Delegates at that year's conference.

**PI-** Public Information Committee. The goal of the Committees is to facilitate public understanding of the A.A. program and to prevent misunderstanding.

### The General Service Conference Structure (U.S. and Canada)

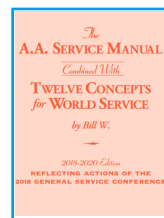

"Without committees, it is doubtful that any Conference would be able to function effectively. Most questions suggested for the Conference agenda are assigned to a committee, where items can be discussed in a small group before they are forwarded for discussion to the full Conference body... Most Conference committees work closely with a corresponding committee of the General Service Board."

Lack of power, that was our dilemma.  
We had to find a power by which we could live,  
and it had to be a *Power greater than ourselves*.  
Obviously.

But where and how

Power?

Well, that's exactly

## Alternate Area 42 Chair NAGSC Chair Report

Hello Area 42,

First, let me thank all who helped make the Spring Assembly a success. The enthusiasm and level of participation from all members made for thoughtful and passionate discussions on the agenda topics. I especially appreciated the respect shown to those speaking at the Zoom mic's, allowing them to speak from the heart. Let's keep our Area's involvement going as we get busy with our summer plans.

The Communication Committee has been tasked with finding Area 42 a new Zoom account for June. The Zoom account Area 42 is currently

using will not be available to us in mid-June. Thank you in advance for your service and research. I'm looking forward to our Delegate's report at NAGSC June 5 th , noon to 4 pm. I know how hard Julie has worked with the help of the Area Conference Committees and Area 42 to be prepared.

The NAGSC June 5th meeting will be virtual, and the NAGSC August meeting maybe a Hybrid meeting. I have started conversations with members about the possibilities. I will ask the NAGSC body if they concur.

## Secretary Report

April 23, 2021

Hello, Area 42 types.

Today, I finished the Area 42 Pre-Conference Assembly minutes and I couldn't be more thankful for all the love and support I've received from the Area 42 team both past, present and (fingers crossed) future. The minutes are now off to our Spanish translation team who will do their word magic before I send out both versions to you by the end of June. We'll be approving the Spring minutes at the Fall 2021 Hybrid Assembly in September.

Keep an eye open for emails from me for important messages from our Panel 71 Area 42 Officers who will be sending all kinds of AA information and their instructions on Fall registration. Most everything I send is meant to be shared with your districts, committees, GSRs etc.

I'll also be sending out a gentle reminder with information on submitting your Fall Assembly reports in mid July.

In the meantime, please reach out if you ever have any questions or need help with anything 'recording secretary.' I am here to serve. I look forward to seeing you soon.

Yours in love and service,  
Anne D.

# 71st General Service Conference

## Message from our delegate:

My dearest Nevada Area 42 family,

First let me express my deepest gratitude to you for giving me the honor and privilege to attend the annual General Service Conference on yours and Alcoholics Anonymous as a whole's behalf. There were a total of 132 voting members, slightly less than normal due to some open positions on the board, the General Service Office, and the AA Grapevine. We were scheduled to meet for eight days; one more than normal due to all the agenda items that were forwarded from last years' shortened G.S.C. Additionally, we normally have a joint meeting between the Conference (delegate's) committees and the trustees' committees on the first day of the G.S.C. This year, all the joint meetings for the primary committees met by early April. We knew we had a tremendous amount to cover and so they extended our already packed schedule. Add to this that we were all meeting virtually from our homes, offices or hotel rooms, the daily schedule was daunting to say the least. I will be attending both SAGSC and NAGSC virtually to give my delegate's report back from the conference, but in the meantime to tickle your curiosity, here is a short summary.

Greetings from the 71st General Service Conference, our second (and hopefully last) virtual Conference. The Conference was scheduled from April 17th through April 24th. Without spilling the beans before the SAGSC and NAGSC Delegate report, let me tease you with a few tidbits.

Ø It was scheduled to have one extra day of business (8 days) to help get through all the items forwarded from last year. Tease... We

actually crept into a day nine.

Ø We had two items where the minority opinion changed the outcome (Chill bumps...).

Ø The new U.S. Trustee-at-large is one of ours. (love, love, love)!

Ø We had one recommendation pass unanimously which caused one of the delegates on the Pacific Region group text to exclaim "had to turn my video off for an ugly cry".

Ø We had a floor action pass, unanimously. The floor action was created because one agenda item was slated to be forwarded to next year's conference just because their committee ran out of time. But a delegate felt there was an urgency that we shouldn't wait yet another year. He was so passionate that he created a floor action so that the Conference could still discuss it.

Ø Our non-alcoholic chair had to take a two-minute break to regain her composure.

So, if any of these teases intrigue you, please come to the SAGSC or NAGSC meetings to hear my report and find out what really happened. I would love to attend district meetings and area events so that even more people can hear what happened at the Conference. Thank you again for the
