Reports from- Non Voting Committees

Bridging the Gap- B.T.G. is doing well overall and has made some definite improvements over the past two years; the new G.S.O. pamphlets this year were easier to understand for the volunteers and the facilities using them, facilities also have (sign up brochure); H.I. volunteers seem to be passing out more brochures .

I attended the, National B-T-G (Workshop/Conference in Minneapolis) in September. There was a panel that are/were involved in both; corrections and treatment.

I was asked if Las Vegas would be interested in hosting the conference in 2014. I have been having discussions with various facilities, it is not looking to promising as of now.
